

November 2017

Health Fair

For the first time, the Communications Department hosted a booth at the Larimer County and City of Fort Collins annual Health Fair held at the Northside Atzlan Community Center. The fair provides an opportunity for the county and city employees to visit with local vendors who offer health, wellness and safety products or services. Library District employees are also eligible to attend. Attendance at the fair was 1133.

The library booth shared a list of health related library resources, 3D printed 'Connect to Curiosity' bracelets and fidget spinners. Visitors to the booth also had a chance to guess the contents of the "Curiosity Box". They had 179 visitors stop by and issued 7 new library cards.
