

DART Reference tracker report

October, 2021

We just squeaked over 3,000 transactions total. That's a little more than **5% up from October 2020**, but down 23% from October 2019.

Procedural questions continue to dominate our customers' needs. **Almost half** of all DART transactions were **procedural**.

And, we're fast at helping our many customers: almost **92%** of transactions are completed in **five minutes or less**.
