

## HOW'D WE DO?

### OCTOBER 2020

1. Just wanted to say thanks for all the storytime videos online over the last few months and also for putting together a safe storytime option for the little ones. We REALLY appreciate it. Adeline still asks to watch the rainbow one you made. (Submitted at Council Tree Library)
2. Kathy went above and beyond helping me print invitations for my son's birthday that I got all weird formatted. She fixed it!! Thank you, Kathy! *RESPONSE: Supervisor Jennifer responded to the customer as follows: Thanks so much for taking the time to share your recent experience with Kathy at Harmony Library. I'm glad to hear that her assistance was appreciated and that you were able to get your invitations printed correctly. I'll share your kind words with Kathy. Hope your son's birthday is lots of fun!* (Submitted at Harmony Library)
3. From Peggy Lyle to staff members Johanna Ulloa and Katie Auman:

All,

Just circling back around to say thank you so much for including the Creative District's NoCo Tour and the large nichos in your celebrations. We really appreciate Johanna, the Poudre River Public Library District, the Museum of Discovery and all that the full team did to recognize el Día de los Muertos and our community's memories. All of the Northern Colorado creative districts and the Fort Collins Creative District want to say thank you! (And if anyone has some photos of the nichos on display or people enjoying them we could use those for grants). Thank you again and have a great day! Thank you so much and let me know if I can ever be of help,
